“ Tim will be greatly missed at Coke Consolidated. He was always a joyful and uplifting presence. His sincere compassion and deep faith were evident in every word of his conversations. Although he will not be with us in person, his fingerprint will remain on every heart he touched on his journey here on earth.  
Prayers will remain with Tim's family and all those touched by his passing.

“ We lost a family member and a good friend. I will miss our Saturday morning conversations. We would meet after getting of work on Saturdays, get breakfast and park the cars and speak through our blue tooth. We Loved you Tim, but GOD loved you more. You will be missed.

“ Tim was a bright spot for many at Coca-Cola Consolidated. I enjoyed many great conversations with him as I was either coming in, or him leaving after his shift. Loved his ability to lift folks day, with just his words.

Will miss him for sure. Praying for all of the family during this sad time.
