He called me Mom. I work at Hendrick Lexus. He called me in the wee hours of the morning. The phone range a few times and then dropped. I called him back in the morning. He did not pick up I texted and he did not respond. I had a bad feeling that something happened to him. I was hoping that I was wrong. Now I know why he did not pick up. I did not think to Google his name until today because I just thought it was strange that he dropped off of the face of the world. Now I know why. I hope with all my heart that he did not suffer. I am sorry that his life got cut short. He was a beautiful soul just troubled by so many different things. I am glad that I was able to help him while he was living. Peace and blessing to his family
