“Peace to all who knew and loved this sweet man, Bro. Alfred Brenard Johnson! My memories extend back to my days of attending service at the United House of Prayer For All People on McDowell St. He was always so quiet and respectful but a church worker, indeed! His wife and I were friends from early teen years and enjoyed seeing each other at yearly events. Our greatest were our annual Holy Convocations and this is when I would see Bro "AB" who was a youth leader and minister who was a dynamic speaker. We would always look forward to listening to his messages. Not only was Bro AB a dynamic speaker but he carried a dynamic aura of love for all that he knew. This evolved from his loving mother who demonstrated love for her fellowman and church members. He traveled for a period of time with Bishop "Sweet Daddy" Walter McCollough and preached the word of God to many congregations in many states and received a large gathering of admirers of those who enjoyed the word of God. He was loved by so many in Wilmington, NC where he served as their Pastor-leader for a few years. He loved these members and they loved him and spoke so lovingly of how he cared for them while he was with them. There are no words adequately to express how his loving wife, Paris Johnson cared for him on a daily basis; whether it was taking him to his scheduled blood work, doctor visits or for other medical needs or just with him to give him his routine medicines or to help him with his medical bodily functions. He showed his love for her and her kindness and she for him on a daily basis. We spoke on a regular basis and I am in knowledge as my husband is also ill and I have learned so much from her loving care for Bro AB Johnson. Today, he is resting in God's loving care with no more pain, no more agony; what a blessing! My hat, today is off to his loving wife who worked with love for many years to take care of her loving husband! What an example for younger wives! What a joy to have known Bro. Alfred Brenard Johnson and his loving and distinguished personality and how he loved God during his God-given lifetime! A loving example from God!
