“ My Lil Pastor Amiri Samuels, words can't explain how much I miss you, Grandson. My condolences for your Dad. You bought me & your dad closer. He was something special just like you. He wasn't son in law. He was my Son. My Grandson & Son have left me in this cruel world. I am soo forever hurt & broken hearted. I never imaginer none of this Amiri. I came over to ask you. Can you sprinkle some of your great & wonderful spirits over your Papa, Gma Samuels. They gonna need it to help with the loss of your Dad, their baby boy just as you Baby Boy. I already know you got your Momdukes covered. I promise to keep God 1st & continue to praise & worship him in your name, Continue to watch over us. I will never stop giving you your flowers. I love you MirMir! Gma Kiser

“ Hi mommy’s Sonshine ☀️ It took me awhile to get here to say anything pertaining to losing your precious self. First I want to say I miss you. I really am missing your presence. I know you loveddd music. And that’s one thing I miss most about our bond, the music. No matter what genre you loved watching me vibe to music. You’d do your little dancy dance and just smileeee, smile so beautiful. Well right before you’d cry for me to pick you up. If the car got too quiet or I talked on the phone you’d scream until you heard some jams. Baby I know you love your mommy to the fullest and I love you a million times more. Son another thing I miss are your stinky toes!! I loveeee those toes. I’m not sure how you felt about that because sometimes you would laugh and sometimes you’d look at me like I was a crazy woman while I sniffed your feet. Amiri thank you for choosing me!!! Thank you for blessing me with your presence and your love! I’d always say I made you for me, you were MINE! I will never ever let you go baby. You are sooo perfect and handsome, I have nothing to complain about. Son I knew you were a fairytale. It was hard to explain but now it makes more sense, you were too good to be true. My son, my only son, I want to hold you sooo bad. Baby just hold on to your mommy, me and your dad. Son I’ll love you until my heart stops. I’ll want you, I’ll miss you, I’ll need you until my last breath. My one and only Stinky Dada. Mommy’s Tanny Man
