“ *Ms. Annette is so missed at PD by all of us. I can still hear her saying "Hey Missy!" every time I would walk into the dining hall. She took interest in my children and let me know when she would see them and tell me if they weren't eating well or going back for seconds or thirds! She always had the brightest and biggest smile and the BEST flowers in her hair. I know that she has traded her flowers for a crown and is dancing on the streets of gold. We loved her so very much and PD is not the same without her.*

“ Annette was a shining light in our Providence Day Fellowship of Christian Athletes community. She loved coming to our Prayer on the Patio lifting up others in prayer and sharing her faith. May God give her family strength, support, and encouragement in the days ahead. I am extremely saddened to hear of her passing, but look forward to seeing her again someday in Heaven.

“ Annette Austin was always a kind friend to PD kindergarten students and teachers. Her gracious smile and warm hellos brightened each school lunch day. Annette provided kind greetings to our youngest Chargers and had a sweet way with even the shyest of little ones. Annette was patient and poised on even the busiest of dining hall days. Smiling and reminding our kindergarteners "eat your veggies!" Personally, I will miss chatting with Annette about family and school when passing through the dining hall in the afternoons. Such a lovely lady! What a beautiful light she gave to us with her presence.
My deep condolences to all of Annette's family and many friends.

“ Thank you for being so sweet to our kids daily with your warm smile & compassion. You always made their favorite sandwiches by heart because that is how personable you were with the students at PD. To the family, We wish you strength, comfort and courage to face the days ahead and loving memories to forever hold in your heart. Our sincerest condolences 🙏

“ Miss Annette was the person I always looked forward to seeing in the mornings when I came to get my coffee. She always asked me how Simone was doing, but she first asked ME how I was doing. As I checked in with her, I always found comfort when she said "I'm good" with her southern accent. We often laughed about our dear friend Nella and how she either liked you or she didn't, and you definitely knew where you stood with her. We reminisced about my pregnancy and how fast time flies. Then our conversations inevitably would turn to the topic of Simone. She always kept an eye out for her. She even would go behind the line and tell whoever was there to make sure they gave her extra vegetables!!! My favorite memories are of her getting down to the music in the cafeteria and of course laughing at something silly JoJo said or did! Her laugh was infectious and her smile was so comforting. Her faith was evident and she shone light to those who knew her. I felt a special bond with her, but I know that that is how she made everyone feel. Her grandson and I share a birthday, which I thought was cool. I adored the fact that his name is Fortune. What a blessing he was to Annette. She beamed when she talked about him. I want to send my condolences to the family. As you can see, we were ALL blessed and touched by Annette and her kind spirit. I can only imagine what this loss has meant to all of you. I can only find comfort in knowing that she lived by faith and that she is no longer suffering. I pray that you all can find the peace that passes understanding during this very difficult time. You were a treasure to us all, Miss Annette. RIP my friend!

“ *Annette was always such a delight to see each day when I visited the dining hall. Her warm smile and friendly greeting made my day. She loved the students, and they loved her. She always asked about my boys who had graduated many years earlier. She truly loved her family; I loved the stories she would share as well as the delicious recipes. We shared our memories and love of Nella, and I am comforted to know they are together in heaven. Annette was such an incredible, wonderful, loving, caring, Christian woman, and I will miss her so much at PDS. I will continue to keep the family in my prayers. My condolences.*
