“ Can hardly believe that probably about a week before his passing, we saw each other in Cracker Barrel for bkf, though at different tables and at least a year since seeing him, we recognized each other and spoke. About 20 years ago I was on the tennis team Gus led. I believe we finished 2nd in the City that year. My condolences surely go out to the family. I fully intended to attend the funeral and regretfully was unable, but surely my thought and prayers were with you. Randy Staten
