“ *I am in total shock. I just found out that Aveon was the young victim of such a tragedy. I was Aveon's 5th grade teacher. I had the pleasure to work with him for an entire school year. He was such a pleasure to have in class. He was a hard working student that always had something pleasant to say to me when he entered the room. My heart breaks for his family and his siblings. God has a great angel that will continue to watch over all of you. Rest easily, Gone but never forgotten!!!*

“ *Aveon Baker was a wonderful polite young man. He had a smile that would light up a room. A He helped me around my house and always had a kind word to say to me. He also always looked out for his younger siblings. He is gone too soon he had so much more to give. May he be in God's hands now My deepest sympathy to family and friends. He was loved by so many*
