“ *Ms Ballard was a resident where I worked. We became closer as we prayed on a situation I was going through. With her prayer kind words and encouragement I made it passed it and the situation dissolved. I told her on many occasions I wanted to be like her when I grew up. Her smile and spirit was intoxicating. I know she will be dearly missed by many. I'm sending many prayers to her family and friends. I bought a pair of earrings from her that I will cherish forever. Ms Ballard I will forever be grateful I was blessed to have met you.* ”

*To Pat's family. My name is Joan Matkins. I met her through many of us that would eat at Golden Corral every Tuesday. Pat would visit at every table and speak to everyone. Many of the regulars have not returned but a few of us have. I saw her a few times after Covid when she would come and get her food to go. She will be missed. She would always ask me about my mom. My best friend, Rena' and I were informed yesterday that she had passed. I will certainly be praying for your family as my mom also passed on October 5, 2023.*
