“ *Betty Jackson: She was one of the best friends a person could ever have!*

I will always cherish both the serious moments when speaking of Christ Jesus, as well as the laughs we shared along the way, (which were MANY)...

I loved her like my own blood Sister; she will be GREATLY MISSED!!

With much love, ~ Buddy Swetland

Betty BJ Jackson was like my big sister. I checked on Betty everyday, making sure she didn't need anything and sharing the word of God, encouraging each other and just being there to talk. We talked about family and our love of our Lord and savior Yeshua. Betty will be Missed.
