“*Regrettably I cant make it to the Homegoing service. A week before the shocking news out of the blue I was talking about The Bozsom's & the great relationship Pastor had with my parents The last time Pastor Bozsom called me I could tell he had a big smile on his face & was confident in me having the information he needed. In returned he put a smile on my heart saying my Pops whole name. My father would always say Bobby & Bobby Bozsom very profoundly. Which was a reflection of their brotherhood, Pastor Bozsom's character, strength & respect due! Pastor Bozsom never met a stranger. You could count on a some jokes, golden nuggets & the anointing to shift the atmosphere. Now from labor to reward, faithful soldier & servant. My heartfelt condolences, love & prayer to his beautiful wife, sweet daughter & love ones.*

“ My brother fir years all the way back to the McCullough drill team. All that marching and learning the distinct chrographed movements. We established a TRUE and everlasting BROTHERHOOD!!! Our signature drill move DOUBLE TO THE REAR WITH A LEFT FLANK RIGHT FLANK PAUSE TO THE REAR WITH A SQUIRED MOVE!!! IF YOU KNOW YOU KNOW!!! Then on to the McCullough Performing Arts and THE SONG EXODUS!!! GREAT DAY!!! SINNER PLEASE DONT LET THIS HARVEST PASS!!! All those long school nights of rehearsals then the breaking of bread with the breakfast and late dinners. Times to remember and brotherhood built!!! Matter is never destroyed but only transferred from one place to another restaurant on my brother. Love eternally Barron Springs.

“ To Elder Bozen family my heart is heavy. When I needed a mechanic elder sent me in the right direction. When my grandson was young and was on suicide watch. Had other pastors that say they were going and didn't. ELDER BOZEN HELPED HIM. I could go on and on. Loved him as a pastor at New Covenant Bibleway. I'm going to miss you. Poured all that was assigned. Take your rest

“ A brother to me, "simply put!" There was never a time "Bozson" wasn't around because I had to stay with my dad and watch the McCollough Performing Arts practice. Afterwards we would have dinner, take him home and beg him to please get out of the car! Life became a happenstance and years passed before we reunited only to meet his beautiful, new family. I was very sad to hear of his passing but happy to know that he would finally be safe in God's arms. To the family, suffering doesn't last always, for "His joy" cometh in the morning! Rest my big brother in eternal peace! Great Day, Great Day!
