“ I had the pleasure of working with Candy for many years at Allegra Westbrook Regional Library (formerly Beatties Ford Road Regional Library). We also attended the same high school. Candy was always a joy to talk to and was well liked by both her coworkers and the library’s customers.

I was deeply saddened to hear of her passing. My coworker and I had recently been wondering how she was doing. I would like to extend my heartfelt condolences to Candy’s family and loved ones during this difficult time.

“ I remember working at the front desk with Candy at AWR, and she made me laugh a lot! We would talk and tell each other stories about everything, so this was such a shock to me and our library family. I send my deepest condolences to the family, and I hope for healing during this challenging time.

“ Candy worked at the library, I would go there and try to teach myself how to type. Each time I would just mess up and didn't know how to work the computer. I can always depend on Candy to come over and give me a helping hand. She was a sweet soul. She was more than my sister's friend, she was family. She will be missed rest in peace. Love you.

“ Growing up together, if you saw Candy, you saw me. We did everything together from summer camp all the way up to Graduating high school. You my sister! I love you, I miss you and I'm going to miss all our silly conversations. Rest well!
