You are truly mis, I mis going up and down the highways, going to different churches singing. I never will forget how you came to the hospital to see me , you sung up something, I thought they were gona you and me out, I really thank you that. How Mrs. Betty brought you over my family house when my brother died, you call me when my sisters died talk a long time, you even line a hymn up on the phone, I put the phone on speaker so everyone can hear.Mr. Potts I truly love you, you were just like a godfather to me, I thank God for you for encouraging me in so many ways.You will Always be a light in my heart. We love you
