“ It's been almost a week and I'm just now being able to even type this out. There's a difference between family friends and friends who become family. Since elementary you've always been my big sister blood or not. You've watched me growing up now you watch over me from a better place same as Ms.Mckoy. I really don't have it in me to say all I want to cause this is tough and still feels unreal. I just wanna say you will forever be missed and you've always been loved and that's from the soul. God bless love you sis frfr 🙏🕊️❤️ Chereeta Mckoy
