“ Am I'm going to miss you for the rest of my life, until I see you again I will forever be heartbroken 💔😞 I'll hold on to all the memories we made, the long conversations, the smiles and the tears. You taught me so much growing up and that's why I'm the strong woman you raised me to be today. The morning you left you took my whole heart with you as I laid my head on your chest but I know you made to heaven because I feel it daily. Adjusting your crown was and always will be a blessing, continue to rest my Queen. Being your daughter is a honor and blessing since the day I was born. ❤️❤️❤️ Your baby girl, Tashawna, Terrell, and Boo boo loves you forever ❤️ 😊

“ Ma I miss you so much, i think about you everyday, i miss the times we would watch the football games and eat pizza. The times you would take me with you and we would go out to eat all the time,the pictures i would draw you. I have so many wonderful memories, it's going to take me some time because i didn't get to make you smile as much as i wanted to. I know you are in God's hands now a real woman of God and mother i love you your son pj.
