“ *Damien Hayes...I've known you for a Very long time. My minds goes back to when I used to watch you in the afternoons and the time we'd spend together. We may not have always talked to or saw each other, but I knew you were there for me and my family and I hope you knew the same. I am sorry I am not able to be there. I will miss your welcoming personality and energy. I will continue to pray for you and your family. Peace and Love. I'll always be, your Sis, Evola.*

“ This just doesn't seem real, still having a hard time believing you are gone. Losing you has left another hole in my heart. I will miss you forever and ever and then some. I miss your voice, your calls, you telling me you love me. Nicole & Veronica getting the Airbnb & us spending the entire weekend together just recently, that was our goodbye & we didn't even know. You were so happy to be with us and you always let us know you loved us and us the same. Nobody can fill this void we're feeling right now, it's so hurtful. You were one of a kind & when my phone would ring I knew I'd get me a good laugh! When I'd say I love you, you would always say "I love you more Cuzzin." I know you found peace but I miss you so so much my Cuzzin 🙏❤️🙏❤️
