“ *To The Alexander Family  
St. Alexander was once my neighbor and always my adoptive "Granny" i called "Muffin" I called the Sr. Queens of First Ward "All My Children" and gave everyone a special name. When i was working she was very famous. I would sell her banana bread. It's a matter of fact 2 weeks ago a former coworker called me to say Covid needs to go because she needed some banana bread. (smile). For my birthday this year she personally deliver me some banana bread. I will miss that warm motherly smile and soft voice. My heart is heavy because this very special lady is gone. May God grant the family peace, strength and comfort during this difficult time.
