“*To Robin-April my condolences go out to you in the loss of Ms. Edna. Ms. Edna and my sister Doris were very good friends. I can see her now those beautiful waves in her hair and always with a smile on her face. I'll never forget how Robin-April took charge in assisting in taking of Grandma Peaches. That goes how Ms. Edna children were raised with Love and helping others. Ms. Edna lives a long life and was always happy. Matthews 24:30-Then the sign of the Son of Man will appear in the sky All the people on earth will cry in agony when they see the Son of Man coming on the clouds in the Sky with power and great glory. 24:31-He will send out his angels with a loud trumpet call, and from every direction under the sky, they will gather those whom God has chosen. “ *Ms. Edna, many will say well, how old was she, and the reply is 98 years old. While that may seem as if you lived a good life, and that's without question, but many are left behind who shared many of those years with you. All the years of caring, loving, nurturing, sharing, being mama, grandma, great grandma, auntie, and an example to so many of us. That's the impact that living those 98 years entail. The memories, being forever missed, the list goes on! To the family, please know that you are thought of and Ms. Edna will be greatly missed. Sending love and hugs to you all. Rest well Ms. Edna...rest well.*
