“ *“Boot”, was the name that we all called her. Because, according to our dad she was small enough to fit in his boot when she was born. Boot was the matriarch of our family, though she wasn't the oldest, just the one that everyone turned to. She was the one that held the family together, she will be missed by all of us. I love you my big sister "Boot", Ellen, Eulalie. Rest well, you have earned it.*

“ *Aunt Ellen was very tenacious and you always knew she was present because her voice would fill a room. She was also a very generous person who would open her home to any and everyone in their time of need including me. May my Aunt Ellen rest in eternal peace. - Tammy*
