“ *Gone far too soon. My dear Aunt Eva loved her family, very much. And she demonstrated this love through her actions and countless sacrifice. Her legacy will live on through her bountiful family, loved ones, and friends. I will forever hold fond memories of her from my upbringing into adulthood. Her presence will truly be missed.*

My cousin Eva, the one with the biggest heart and a lover of all. She loved to laugh and laughter certainly does good like a medicine. You will be missed by those near and far. We don't mourn as the world does; we are excited that we will see you again in paradise. Rest on cousin, rest on!!

*Affectionately,
Carol Andrews Lewis & family*
