Evelyn Tripp was a strong woman she was a provider she always made sure she prepares a meal for people with her cooking, she was a lady who did not like a dirty house and she always knows what to say when you're going through bad times or anything in that matter, she was the best mother anyone can ask for she will give you her last, she loves the early morning sunshine she loved pearls her zodiac sign is Leo so may I say she was the lion of the family she loves to smell good and look good when she steps out into the world.
