“ *To Beverly and Family:
I know the Lord will keep you during this very difficult time. Know that others share the loss and pain with you.
When I learned of Felton's passing all I could hear is Daddy Bailey telling him to sit and when you can't play your horn... Rock. "Felton you still rocking over there?" We all rocked with him and gave GOD A Glorious Shout! The impact you have made on so many lives will never be forgotten. Felton truly Aspired to Inspire before he Expired!*

“ St Felton was a dedicated determined person. He lead “the Clouds “ to a the level of national within the United House of Prayer. He started and organized additional junior bands in Charlotte. He was blessed to testify in Dallas Texas this year during the convocation. He shared how God had blessed him to go from a wheelchair to a walker, and how he was blessed to stand up and stated it was the longest he been able to stand. Daddy Bailey gave him words of encouragement. St Felton put on a shout and we joined in, as the Clouds played. To his wife and family he will be missed. We are all praying a special prayer for you all. Your sister in grace, St. Darlene Hector

“ To Beverly and the rest of the family: You are in my prayers for the pain can be ease because we serve a God that's our strength and helper. In times like these God is there for you in the name of Daddy. When the tears come down, know that God will swipe away the tears from your face through faith. St. Felton R. Weathers was a good man. One that I admired from being with the band in Jamaica to being with the band in Charlotte. So many young men and men he have helped as a leader of the band. I will keep the family in prayer. St. Felton R. Weather, take your horn to Heaven and play, So Glad I Made it. Rest my brother.

“ I will never forget the teenager who watched his mom and I laugh and converse each time I spent the weekend with your mom, Becky in Brooklyn. I was at Rutgers University and studying for my Masters when I met your mom and she invited me to come to visit on the weekends. And I did! I will never forget how dedicated you were to the band and how this has carried your love for music since then. I am so proud of you! I know that you are resting after a tedious work on this earth. You have been such a spiritual example to many young and matured men. Sleep on and take your rest for it is one that you have earned! I will always appreciate your love for the work of God!

It's hard to say goodbye to a life long person who gave so much laughter and joy to this kingdom I have always seen him with a horn either playing with the Mcollough classic, or with the Clouds he will be truly miss. To his family may God help heal you during this time of sorrow knowing that he is playing his horn in the kingdom of God humbly submitted by Cynthia Lackerson president of the Grace Emmanuel singers

“ To Beverly and the rest of the family: you are in my prayers for the pain not to be extremely severe. Yes it hurts but God can ease the pain. Cherish those precious memories. Felton “got that done”. I had the opportunity to present him with a monogrammed towel done years ago as I gave him his flowers for accepting a lot of guys on the band and MOST IMPORTANTLY TEACHING THEM HOW TO BE FAITHFUL AND WORK. Faith w/o work is dead. He was a “go-getter” and he went and got it. He never gave up- he gave out. Saint Gloria (Cookie) Davis

“ We grew up together. I remember grandma picking you up for band rehearsal, us elbowing each other in the back seat of her vehicle, breaking bread together. You was the big Brother I never had, Always chasing some guy away from me. You and my dad in the family room watching endless hours of House of Prayer videos. The Dollar Van, Jamaica Ave, John Adams high school, Liberty Avenue. Before Charlotte had you, we had you. The 2nd leader of the Mccollough Invaders. A Mccollough Classic, as well an Elite. A beloved friend and family member. We loved you in life and will continue to love you while you take your rest. Felton, Well Done, job Well Done.💖🙏

*Weathers Family
I am so sorry for your loss. Felton was one-of-a-kind and can never be forgotten. I know it's hard to accept that someone you loved is now gone. He may not be here, but talking about him will keep his memory alive forever. Even when we know it's coming and there's time to say goodbye, loss is never easy. May the memories you have of Felton and during his final days help you find peace. Praying for your strength.*
