“ *Condolences to the Tobias, Gilliard and Crawford family! Thinking of you as you celebrate the life of our beloved Flute. I am sharing in your sadness as you remember her as I feel much like family. I met Flute some 50+ years ago through her sister Jeanette who became to be one of my best friends! Remember many days our sitting on the front porch on Myers Street. Always admired Flute with how she raised and loved her boys. Praying for you all during this difficult time. Gone But Never Forgotten!!*

“ To my dear sister Glo-Thank you for being my sister which was a blessing. You fought a courageous fight and God saw that you were tired, so he called you, to join the army of the Lord. I know no matter what you will always be with us. You are not really gone because you still live in the souls of those left behind. Come unto me all ye that labour and are heavy laden and I will give you rest. RIP my dear sister. Love You Forever.
