“ Mother,

There are no words big enough to capture what you meant to us. You were an example of what strength wrapped in gentleness looks like. You carried so much on your shoulders, yet somehow always had room for us, all of our questions, our mistakes, our dreams.

You taught us how to stand tall, how to treat people with kindness, respect and how to keep going even when life throws a curveball. All of your love and lessons are in us, it is the reflection of you.

Losing you has been the hardest thing we ever faced. Being mom will always be the greatest gift you've ever given us.

Thank you for every sacrifice, every support, every recipe. We hope we make you proud.
