“ My brother James W. Guy known as (Pig) was my inspiration on life. A preaching Guy boy he was. Our father Eugene Guy was a Deacon in the United House Of Prayer For All People. He was a deacon that made preachers because all of his boys are ministers. Former Apostle James Guy played with the Drum And Burgle Corp Band in Charlotte NC. Then Elder David Crawford and him created the Jr. Burgle Corp Band. What a big brother he was. I looked up to my brother and admired him so much. He gave me my first job as a janitor with the janitor company he overseen. I remember one time when he was the pastor at North Charlotte #2. He was preaching so hard until he tore his pants. I thank God to have had a brother like James Guy. He was a helper, a supporter, a friend, and one that you could depend on. Most of all, he taught me about the facts of life. Thank you God for allowing me to have him in my life for over 60 plus years. Every body have something to say but I know my brother. We all have a short cord in our lives and regardless of what any body say. God have a Man in the land today just as He had in the days of old.

*Love you my brother my HEART Ache..*
