My uncle Jimmy was a GREAT man of GOD who stood for righteousness. He was the type of man whose language was led by God. He had a dynamic sense of humor. To know him and crossed paths with him, was a blessing in itself. He was a sharp well dressed, well respected man. Although he's no longer with us in the physical, I know that he's with the almighty God. To know him, was and is to be closer to God. To know him was an honor. Until we meet again, MY UNCLE JIMMY. See you on the other side. Love you, always TRACY

“ *My grandad was a righteous man. He would always give me and my cookies when we asked him and he loved us very much. I would see him read his bible all the time while he had his cowboy show on lol. He will forever be in my heart.*
