“*Jamie I knew one of us would leave before the other, but it really hurts that it happened this soon. Even though we have known each other so long, you was still young. You went through so much, in your 35 years of life. I could never imagine, how you did it and still have 3 other kids to look out for. You are definitely in my top 2 of a Shero, my mom being Number 1. Just know that EVERY August 18th I will celebrate your birthday. I love you Jamie and you will never be forgotten as long as there is breath in my body.*
