When I think about all the loving memories I have shared in the 29 years of Tangela's life. My niece and I have shared tears of joy and sadness. Yet, the tears I share with my family since October 1, 2021 when Tangela was killed has been the hardest. Love you Tangela and will truly miss your smile and voice. Love your Auntie Gavora. Rest In Peace until we all meet again. Hug my Mama Henrietta and your mother my baby sister Tan for me.

She's done with the trouble of this world. Remember God's unchanging hand is still in control.
