“ *Mama there aren't enough words to tell you how much you meant to me. OUR TIME together was when we both had COVID and we connected for those 5 weeks. Even thru our symptoms and we managed to still keep each other close and talk about when that was all over we would be back in church shouting and praising GOD again. I cooked everyday and made sure you were good and full. Its those moments I will forever keep in my . I will miss you. Love always your OLDEST*

“ I was only 6 years old when my brother bought her home as his wife, I remember being very jealous of her - in fact I left home the first Sunday Morning that she took my place with him going to service at the UHOPFAP, on McDowell Street. We had moved to a NEW NEIGHBORHOOD & I knew only one(1) family and their son (his mother, was my gym teacher at School), I was so mad and pouting that I went to their house in my pajamas without my Mother knowing. I stayed for about 3-4 hours, by then I knew I was in real trouble - I could hear my Mother calling me, but I was still hurt and pouting. Needless, to say I never did that again (didn't work out like I'd planned.) LOL!

From that moment on I began to Love her and wanted to be just like her and she gradually became my Sister and someone to look up to. She introduced me to her Father & Mother, also her many, many brothers and sisters, and her nieces and nephews and I was immediately taken in & treated just like one of the Family.

I can't tell you how much she will be missed! I Thank God for having her in my life.

Love you all,
Nieces & Nephews & Family
