“ We know the Angels in Heaven are Rejoicing at the addition of one more loving Soul -- "oh when the Saints go marching in!"

*We remember all the wonderful times the Reese Family had with JoCarol and Mr. George at family gatherings. Plenty of delicious New Orleans food and drink, laughter and stories. She would always come in smiling and laughing, and say "where's the 504 people at?" (504 Is New Orleans area code). Talk about good memories!*

*She was quick to share a story, quicker still to give you her mind and a bit of advice. You could count on her to be there for the best of times, and to be there too for each of us during our most difficult times.*

*JoCarol was a wonderful friend to Harold & Dorothy Reese and the entire Reese Krewe of children, grands and friends.*

*We loved her like a Auntee, "Baby." Forever in our hearts.*

“ Family, there's not enough space to say what I feel. But, I know there's a celebration like no other going on in Heaven. If I listen closely, I hear the joy and laughter which was a given at anytime you were around this family. She was my mother by love and not by blood. You know that she took me in and gave me something that no one else could. Always one to give stern advice with a smile so bright that I can picture it now. I know that she's smiling down on everyone, but yet flying free with all those that went to prepare a place for her. Daddy G waiting to take her hands and share that dance. lol. There are many that want to thank you all for allowing us to share her with you. She will certainly be missed beyond measure, but the memories will always be priceless for me from Locust Ave to Erinbrook Ln. Get your rest Mama Jo and know that your work speaks for you. You strutt on in your crown and robe until we meet again. Weeping may endure for a night, but Joy surely cometh in the morning. Sending prayers of peace and comfort to you all. Love you -Jo Lovely
