“ In 1989, I was 19 years old when I went to work for Interstate Tire Company. There I met Johnny. He was, by title, my supervisor, but I considered him so much more. He was a mentor and a leader. I considered myself blessed to have known him. Even though I haven't seen or spoken to him I many years, he has always remained and will continue to remain in my thoughts. His influence, knowledge, and attitude, was and still is an inspiration. I only wish I could have let him know how much I appreciate knowing him and the influence he had upon my life.
