“ *To my family: The Love that we share, the bond between us will be forever stronger as we lean on each other's strengths to fill the gap of our beloved, strong warrior who left us with a quiet goodbye. I will forever cherish the memories, and the love that my brother and I shared.  
Truly you will be missed but never forgotten. Sleep on my brother, you are free! Fly high like an Eagle!!  
May God give you peace and keep your soul.  
Your sister
