“ *My beautiful best friend Kimberly Denise Jackson ... your beautiful smiling picture was in my senior book as best friend... you were there for me at one of the most confusing times in my life. I remember all the Friday nights out when we went to Traxx we would dance on top of boxes at the edge of the dance floor . You were so regal & beautiful in all the purple lace & embroidery jacket with blond highlights in your hair... Those days I'll always cherish.. thank you for always being there for me & supporting me always. You're now at peace , dancing in heaven. I LOVE YOU WITH ALL MY HEART.....* ❤️❤️❤️

“ *I can remember like yesterday all the good times we had. No one could keep us a part. We were sisters. After school ended we both went separate ways but we are still sister. I wish I had reached out more. But we both knew miles nor time could affect our friendship. I will keep you in my heart. Miss you my friend. ❤️❤️🙏*

“ Kim, I remember you and our days at Shoe City you had a great sense of humor, very pretty, and polite. We use to talk about the word of the Lord even back then. Rest in the arms of the father my friend❤️

“ Kimberly "Kim" such a beautiful smile and dimples that would light up the sky now they are illuminating the firmament. In the eighties we were the baddest models ever to strut the runway. Your sister, my bestie Charlinda, don't worry about her. You were always saying "I'm my sister's keeper." 😊 Charlinda , Mommy Mary and family "Weeping may endure for the night but joy comes in the morning." May GOD grant you eternal Peace.

With much love.

*Kimber,
I remember when we started working together at Fleming's back in 2006 and going out after work. I also remember your superhuman powers when you caught that piece of paper with one hand. Your beautiful smile, positivity and amazing soul could light up a room. You and Prince don't have too much fun up there!* 💜
