“ Mrs. LaVerne James,

Though I have only discovered recently the passing of Mrs Laverne James, I want to give my most sincere condolences to the family.

Initially it was through my long

long time friendship I had with sister-in-laws Ms Doris James and Hettie James Martin. Also because of Doris I became a bigger fan of the James family after her passing, because Doris' brother and Miss LaVernes, husband, El Morris James, I was showered with more experience of this lovely family.

So it is continuous love, light, and comfort I send to the James family
