“ Today, I feel honored to have this opportunity to speak about a wonderful lady, mother, grandmother, great-grandmother and God mother to so many. I loved her from the first time we met that gave both, she and I, an opportunity to meet during my teenage years. During my teenage years, her daughter, St. Paris became my God-sister and this has continued until today. My greatest joy was learning that she named her youngest daughter, Donnie after me. I can remember visiting my hometown, Charlotte, NC and she and I both were attending an event at the United House of Prayer For All People. When we approached the outer corridor and saw each other; it was a big hug and so much love from her. I always loved her because she was such a great example for those of us who were walking a Godly walk. We never heard her speaking negatively about anyone. Many of us wanted to grow in Christ as she had done. She was always not involved in idle talk which was an example for all of us. St. Marie Truesdale was a true model and vessel on this highway of holiness. I will never forget her!

“ *A fond memory of Ms. Marie was her coming in service bouncing to the music and no matter how one of her daughters would pull her to walk faster, she was going to stay at her pace all the way to her seat. Get your shout-walk on baby with that beautiful smile. I am praying you receive peace, strength and comfort during this very difficult time and send love to the entire Truesdale family.*
