“ Marqus was great at getting people to like him. He got evicted in 2024 from his trailer. I allowed him to live with me he never got out of bed before noon. When I got home at 0025whe working he we still up. I found multiple pieces of Reynolds wrap on my stove with something burnt on It.and a straw. enjoyed Marqus staying at my home. However after listened to 3 recordings that subpoenaed from ussa and Navy Fed room where he got on the phone and said he was me and then continue to contduct business in my name. Then I strongly started disliking Marqus. My wife and I owed navy faderal and ussa \$48,000 because he sponsored my wife and me to members of ussa bank and navy federal and then borrowed \$48000 in our name. I hope he found happiness. He constantly talk About the problems he had with his mother living with. She was an alcoholic and caused his family a lot of problems, so I just hope you found peace in it his passing away found somebody he actually loved him in heaven. If he believed that Jesus Christ died on the cross for his sins. I hope he is not miserable anymore and he can't steal from anybody else's credit or their ID
