“ *My parents, siblings, and I were very fond of the Hamilton family. Oh the laughs and jokes the parents had with each other. The kids were like cousins. Peggy was a dear woman who could make a room laugh. Our mother's would take us to Captain D's on Friday's. I could go on and on with the memories. My sincerest condolences to the family. Peggy was certainly a sweetheart whose memory will be cherished. Hold on to those good times and memories.*

Thank you Ms. Mary for your 30 years of service with the City of Charlotte. Thank you for the unconditional love you had for anyone that came in contact with you. I will say every time I seen or mentioned you to your daughter, I would talk about the bake mac and cheese that you always made for our pot lucks. (lol)

You will be missed and your memories will be cherished. Heaven has gained a True Angel.

My condolences to your family

Peace, Tasha West
