“ *Uncle Tootsie as I sit here and place all of the puzzle pieces together it still feels unreal! We talked about this day ,but I didn't realize it would come so soon. I can't understand why, but I won't question GOD. I know for sure that you are enjoying every minute of it now that you are home with your love ones.....The Party is REAL pleas kiss everyone for me and let them know that I love them and miss them.*

I thought I had another moment in Real Time to hear you say again..“Wanda don’t say anything to anyone about our conversations”. I was gonna invite you over for Thanksgiving. While doing all my preparations I allowed it to SLIP my thoughts, and who would have ever known(But The King) that you would also SLIP away from Us. When I was a little kid You bought my first pair of metal rollerskates, you took us me (sisters) to fish camps with your family, you repaired my vehicles, and out of all the Women in your Life you chose me to Cornrow your hair..I am Blessed with sons. I always would say God allowed me to have sons because I can’t do any hair. Thank You for believing in my ability to accomplish my self doubt. At least I can say we told each other that we Love one another. I can still see you with your head hung slightly over to the side Smiling, and that’s how I’m gonna remember our moments in Time!!!

“ *Daddy, I never thought the day would come when you were not here with me.. I will "Forever" cherish our long conversations, dinners out and the hours filled with laughter. Most of all, the wisdom you instilled in me, will "Never" be forgotten. There's so much I want to say & with express it with my writing. I followed your blueprint & will continue making you proud! I Love You Daddy!!! God Bless You!*
