“ No one would ever understand our BOND...it was definitely UNBREAKABLE 🤝👤 We rode this journey called life together, for over 6 years of knowing each other ❤️ We laughed, cried, argued, and prayed together 🙏 We had our ups and downs, but we always kept each other around 🤝 You had such a big heart, you were caring, understanding, and eagerly pleasing! Even when I weren't aware of your passing, you made sure to not leave me in the cold....you came to me in a dream ☐👤 Only God know the struggles and battles that occurred, but one thing for certain....is that VICTORY is yours, you will forever be missed my sweet LOVE. No matter how many people have been in your life, as you would say....There is only one NICOLE. I accepted you as you were, and for who you are. There is/was nothing that anyone could ever tell me about you, because I knew the REAL you. It doesn't matter how many years you were knowing others, as you ALWAYS stated NO ONE COULD EVER COMPARE TO WHAT WE HAD. We may have said things out of anger, but that connection was never LOST. You always told me that you love me to ETERNITY, and you have proven that....even after death. This last time around, when you were in the hospital, you asked me to marry you. Things happened so fast, that I wasn't able to give you an answer. Yessss I was ready to complete you, just as you wanted. Continue to smile my love, come and visit me as often as you want. I will ALWAYS make time for you, even in my dreams. This suits you oh so well 👑 Until we meet again....the gates were wide open for you to walk on in 💋

“ Nakia was such a kind person. In the midst of everything she faced, she still took the time to be kind and go above and beyond for others. I will miss her dearly. Even her strength to make worship a priority while experiencing the most difficult times. Kia rest well, we will see you in the SONrise. Condolences and prayers for the entire family.
