“ I know that when you were born God was smiling. He knew that you were going to bring light into every life you entered and every soul you touched. I can say for me and everyone else would agree a soul like a ray of sunshine you were. Your mom named you exactly as the world viewed you a piece of HeaveN. Baby girl you are truly going to be missed but that light that you added to our lives will never be dimmed. That would defeat the purpose that you have brought into our lives. Sweet beautiful soul Nevaeh. Love you and Happy early birthday sweetheart. The memories will always be remembered and you will forever be missed.
