“ Ora delivered Meals on Wheels in Goldsboro for many years. She always had a smile on her face and had a “smart” comment on her experience with us to make us laugh. She was one of my favorites and came by the office to visit even after she no longer was able to volunteer. She was a sweet lady, and I’m sure her Meals on Wheels partner (Ethel) will be there to welcome her in heaven. Prayers for her wonderful family. 🙏
