“ *Paris was a wonderful part of our Sunday school class at Huntersville Oaks while she was there. We loved her sweet spirit and beautiful loving heart. May your family be blessed with wonderful memories of Paris that bring comfort and peace.*

“ Paris and I served together in Youth Ministry at Abundant Life Church International. She served as a teacher in our Kinder Church (4-6 year olds). She was enthusiastic about teaching and she was a dependable leader. She brought fun and a smile to her classroom. Having her on the team was a blessing. I've known Paris since she was in 9th Grade. My son and she attended high school together. I will always remember her beauty inside and out, her beautiful smile and quick. I'm glad that God saw fit to put us on the same track of destiny for the time that He did. Paris was a joy to know. She's missed. (Gloria Walker)
