“ *Pearl and her son, Joe were friends of mine when I worked at Social Services years ago. I just heard of her passing and wanted her family to know that they are in my thoughts and prayers.*

I light this candle in rose for a rose that will be truly missed. She was one of my other mothers that will be cherished in my heart forever. A branch is broken from the tree but roots still lives on. My sincere condolences goes out to you family, wishing you Peace, Prayers, and Blessings.

“ *I had the honor and pleasure of staying with Saint Sanders and her family for over 15 years, doing convocations under Daddy McCollough. She was so very nice and caring to everyone she met. I looked forward to staying with her every convocation. She called me her son and she treated me like that. Beside my mom she was the best cook ever. I played on the General Council Softball Team and after the game I couldn't wait to get back to her house for a very delicious dinner. I would tell her I love you and she would say I love you also. She wore that title of Saint well. I love you Saint Sanders but GOD love you best. May GOD continue to bless the Sanders family through Daddy Bailey. Bro. George ' Punchee ' Howard, III .*
