“ *Wow gone too soon! Lena you reminded me a lot of myself. We both did our own thing and marched to the beat of our own drum and at times took the road less traveled. As a mother you raised two wonderful children and set an example to be what you wanted to be in life....and be the best! I really admired your entrepreneurial skills as you made me smile with all your always new ideas and business ventures. You have left a void in this family but I know Allah needed you more. You will forever be in our hearts and forever be in our thoughts. Well Done! Give Grandmother, Aunt Kat, Aunt Ethel, Aunt Eloise, Uncle George and Cousin Earnie a big hug from everyone. We love you Rest In Paradise!*

May Allah be pleased with my warrior sister! She was a real one. I'm glad I had the privilege of knowing her. I pray the family will be comforted in their loss-Bro Daniel X
