“ Many years in the mornings I rode the elevator with Regina to start our day at work. I enjoyed those brief moments with her, chit chatting about various things including her beloved Dachshunds. A sweet and kind person, she was. My sincere condolences to all of the family.

“ Regina loved the Christmas season! She loved giving gifts and making people smile. I'll never forget the first time I attended a holiday party where we played the legendary saran wrap ball game. She spent months collecting gifts preparing and wrapping the ball. I had never played a gift giving game like that before. Everyone had so much fun, and it was all thanks to Regina. I will always remember her giving heart and her strong faith. Our time working together was too short, and she will be truly missed.

“ Regina was thoughtful and kind in a way that felt rare. She loved dogs, and she loved people with that same quiet, unconditional care. She was the best kind of friend—the one who truly listened, who never rushed you, who made you feel safe just by being there. When Regina asked how you were, she genuinely wanted to know. Her presence was comforting, her heart was generous, and her friendship was a gift. I will always carry her love, her listening ear, and her gentle spirit with me.

“*Regina was the best friend anyone could ask for. She was like sunshine after the rain. She always was glad to see you and always there to listen and console.*

She loved to make people happy whether organizing a party, sharing wonderful food she cooked, taking time to create a keep sake memory blanket or just bringing sunshine to your space.

She loved her family, her dachshunds and her Lord and Savior.

I am happy she is free from pain and suffering. Free from not being able to do the things she loved to do. I know she is eternally happy in the kingdom of heaven which is what the Lord promises us all.

She was truly one of a kind and I will miss and love her forever.

“ Regina was a kind and caring friend and coworker for 28 years, and she meant so much to all of us who had the privilege of knowing her. She had the biggest heart and was one of the most selfless people I’ve ever known. Her laugh was contagious and could instantly light up a room. She absolutely adored her miniature dachshunds, and our shared love for dachshunds was something special. I’m so grateful to have one of her grand-dogs from her beloved Sadie and Frankie—my Reeseey loved Regina just as much as she loved him. Regina was the heart behind our Christmas celebrations, always making sure everyone was having a good time by planning games, prizes, and plenty of laughter. She had a beautiful way of making people feel included, valued, and cared for. She will be deeply missed and always remembered for her generosity, beautiful spirit, and the joy she brought into our lives.

“ Regina was a beautiful soul. She was friendly, positive and caring. She was a friend for many years (about 20). She was so thoughtful and giving. I have 2 of her grand-dogs from her beloved Sadie and Frankie and my Darcy and Dewie looked just like them. We shared the love of Mini-Dachshunds, she helped to increase that love. She was so thoughtful, she frequently thought of me through the years and brought me little dachshund gifts. I frequently brought in the puppies my mama dog had so she could see them. She loved her doggies and she loved people to. She was always so thoughtful. She cared for others and never raised her voice or was unkind. I am saddened that I was not there for her at her end, I just hope that she knew that I loved her too. She will be greatly missed but never forgotten.
