“ I met Renicka back when I was a real estate agent in Jacksonville, FL. I sold her a beautiful townhome! She was such a lovely person to work with and over the years remained friends! She had a beautiful smile and very sweet spirit! She will be greatly missed! Rest easy Renicka!

“ Renicka, was a person where just her mere smile and presence lit up a room. I met her years ago and she's remained the same... a genuine caring spirit, loves family & friends, and most of all a humble servant. She was beautiful inside & out...May the memories she left behind sustain the family in the coming days.
My daughter & I light the yellow candle in memory of her bright, radiating countenance !!

“ We were stationed at Naval Hospital Millington as corpsmen. She will always be remembered for her beautiful smile and sweet spirit. What we have once enjoyed we can never lose because it becomes a part of us. May memories of Renicka bring us peace comfort and joy. May we share these with your son so he knows how inspiring you were to every path you crossed. Job well done good and faithful servant. Rest with God beautiful 💜💜💜💜

“ I served on the USS George Washinton with her. I had got injured out to sea, where I had cut my finger pretty bad. Bad enough to where I had to get flown off the ship. While on the medical ward waiting for the ship to get close enough to land to where I could be flown off, she had been taking care of me. Ill never forget her kindness during that time. It meant so much then and it has always been a memory that I will never forget. RIP 🙏
