“ Out of all Tidus Jr's granddaddies Ricky Addison was the only one to sit in the floor with him and play with Tidus Jr, that created a memorable moment for Tidus Jr., who has now had two papa's pass away in the same month. I understand it was time for Ricky to take his rest (lovingly called Pops), he left his imprint of love. Daughter in law, Kathy Roberts ❤️

Before Ricky's illness he would say, "I love you" everytime I saw him. The last time I saw him, he knew who I was. He laughingly stated that I was "The one that always talked junk to him". But he knew that his sister in law, Myra Dorsey loved him and was praying for him. ☐❤️
