“ *Roxanne was a wonderful woman, a caring counselor, & someone who always displayed her beautiful smile. I considered her a friend...much more than just a co-worker! She was accomplished & loved learning! She helped so many people find recovery and, although taken too soon, has made a lasting mark on many lives! You will be missed!*

“ *I have known Miss Roxanne for approximately one year. I met Roxanne through the Zenith Hope Center. She was my counselor my therapist, my go to (kick it) partner. We would set up an appointment for us too meet. Generally 15 mins appt. Well our discussions would ALWAYS go over 15 mins... She was the BEST... The best counselor I ever had... So pleasant, so helpful, dedicated & truthful.. Roxanne darling you know how much I thought of you. When I was informed of ur passing, I had plans for the day... I literally felt like the wind was knocked out of me... I all of a sudden had a big ole void in my heart 💜... I will miss you & especially that BIG grand smile of URS. Seeing that smile come out of you, always just gave me a sense of relief & that better days were coming coming... REST EASY, REST EASY my dear friend...*
