“ Heaven has received another Angel. I am so glad that you were welcomed into heavens gate by your daddy. I am so glad and grateful that our relationship grew more and more over time. I am also glad that your relationship with the Lord had also grown because it allowed all that knew you to love you all the more. I love you and will miss you more dear daughter. I thank God that I got the chance to share morning laughs with you each day, and I am glad I got to tell you that I was proud of and loved you. Dear daughter Wayna please kiss your daddy for me and just know I will see you both again.

Love

“ Shay was such a beautiful soul. She was there for me and my family when I lost my mother 4 months ago. She was more than a friend, she became family and we all loved her. I'm so glad I got to know her and I will miss my sweet friend. The Clark Family sends our heartfelt condolences to her family and friends. Thank you Shay for everything you did for us. We love you and we miss you.

Shay will truly be missed. We met through work over a year ago and I could always count on her to give me a good laugh. Her sense of humor was like none other. We spoke often outside of work and when my family was down to one car, she picked me up several times on her way to work. I definitely considered her as a friend 🌸
