“ Sherry was an amazing person. I've known her since I was a Clinic Coordinator in 2021. Very intelligent when it came to Medicare, SEPs and her role(s) here at Gohealth. A day did not go by that I did not speak with her, whether if it was thru teams or personally. Although she has passed on, I will keep my memories and everything I've learned from her.

A painful notification, Sherry and I met in 2014 and her laughter and spirit will forever grace my memories. She was a delightful friend to enter in my space, enjoyed the stories of the family, especially the grands. My Friend My Friend
