“*"Auntie Amer" misses you so much friend. Not a day has gone by that I don't think if you or replay your voice in my head. This year has been so hard. I will never be the same. I will forever walk around with this hurt. Auntie is learning to cope and I think you would be proud. This has mad auntie seek therapy and I have learned so much about myself and life I will live for you friend. I hate I couldn't protect you. I miss doing your hair, getting you little outfits or the joy on your face whenever you saw me or anyone that you loved. I love and miss you so baby until we meet again.*

“*Beautiful little baby.
God needed a little angel to run free with
butterflies 🦋
So he called you home away from the
troubles of this world.
May you rest in heaven*
